

Mon cahier d'activités

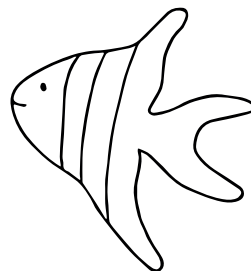

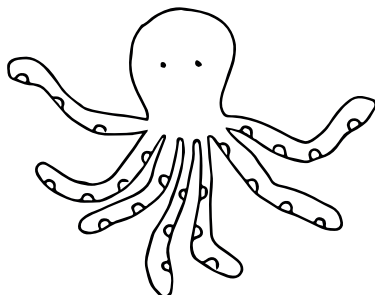

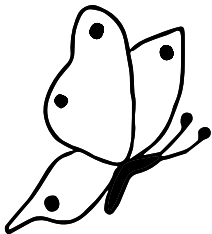

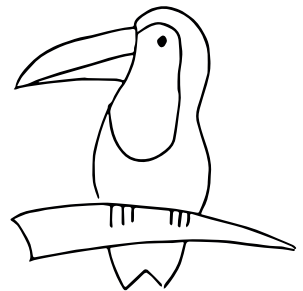

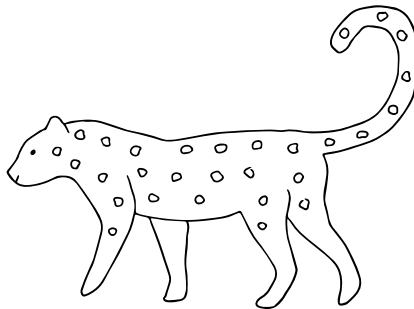

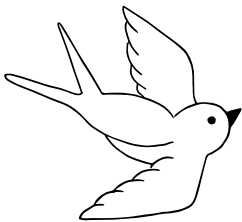

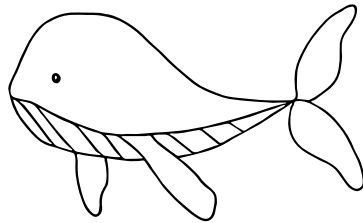

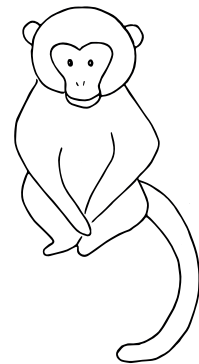

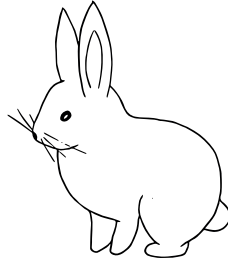

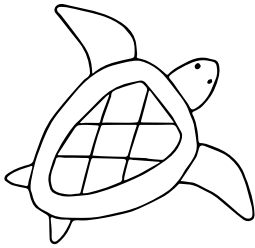

de maternelle

2

Entoure en vert les animaux qui partent vers la droite
et en rouge les animaux qui partent vers la gauche.

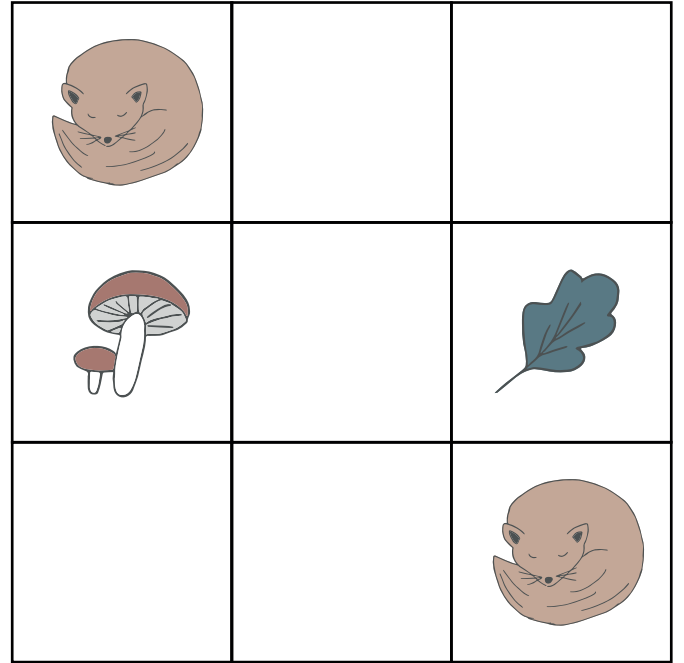

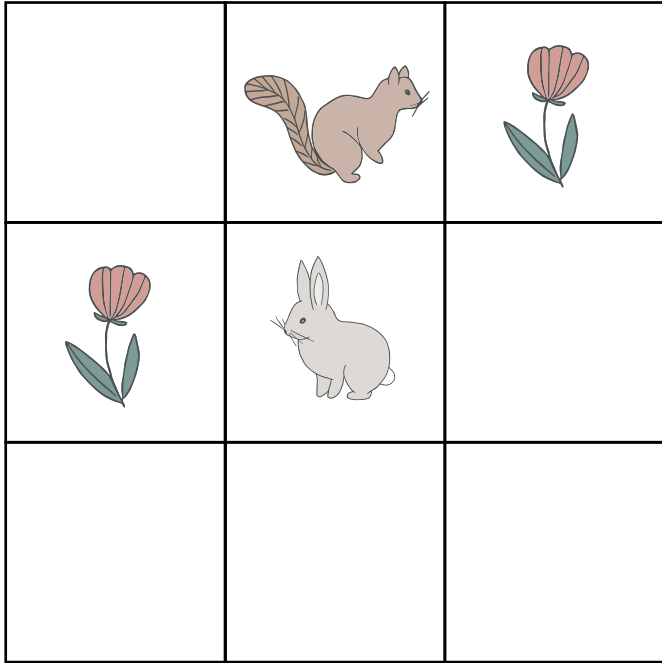

Colorie en bleu les animaux qui nagent,
en vert les animaux qui marchent et en jaune ceux qui volent.

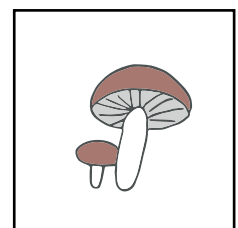

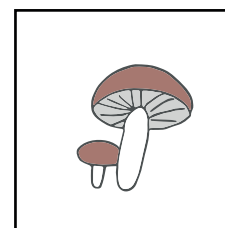

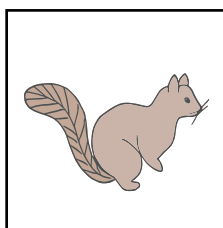

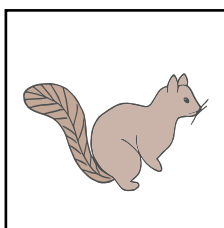

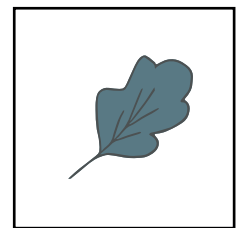

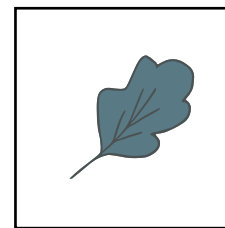

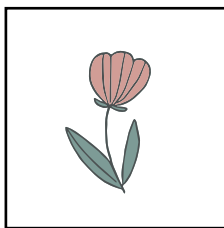

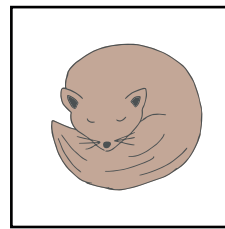

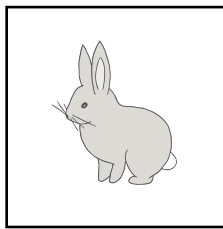

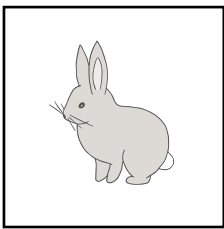

Sudoku niveau 1

Découpe les cartes correspondantes avec l'aide de tes parents
et replace les dans la grille correspondante.

Chaque symbole ne doit apparaître qu'une seule fois par colonne et par ligne.

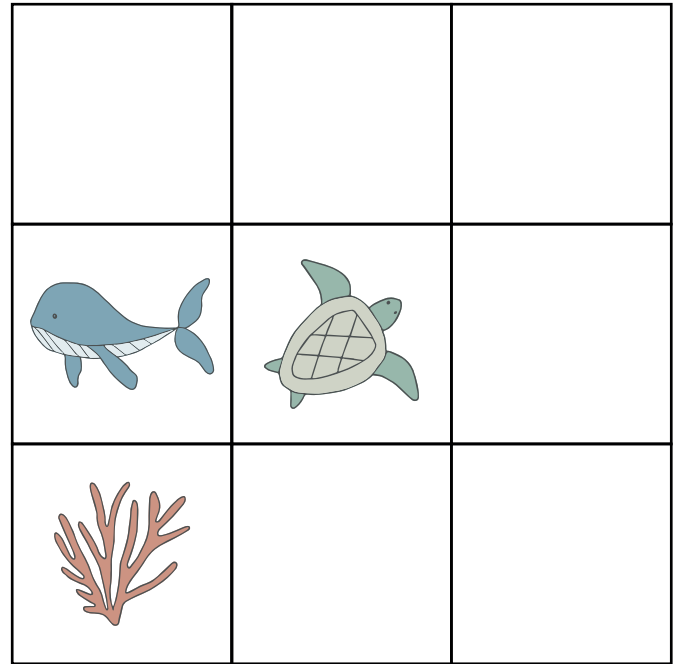

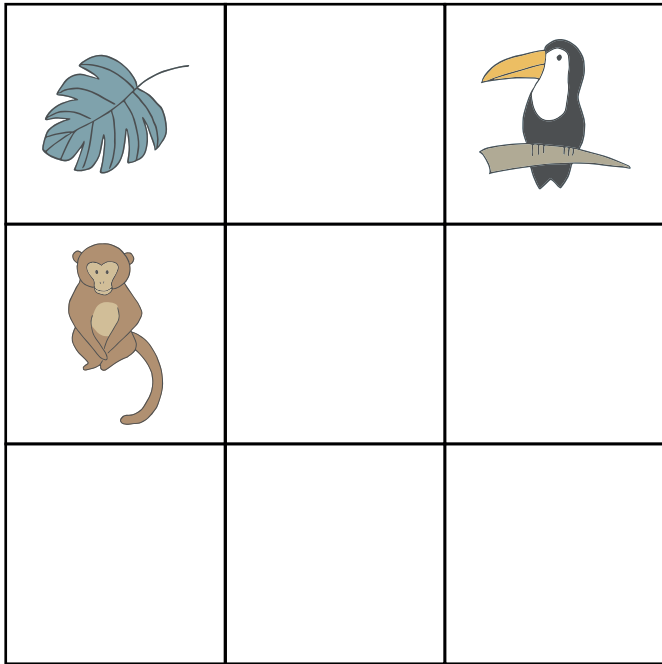

Cartes à découper

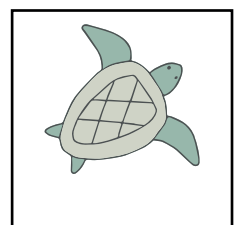

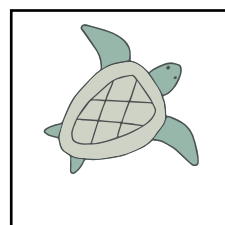

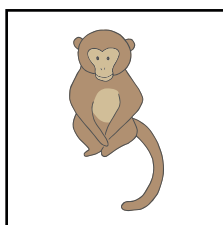

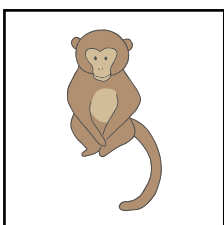

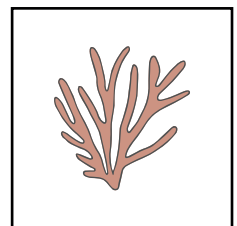

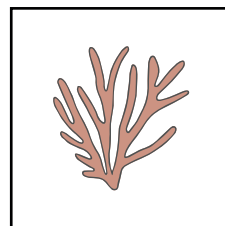

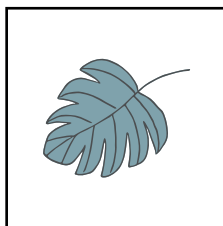

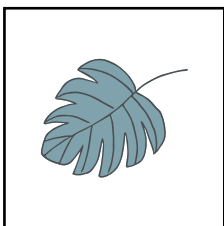

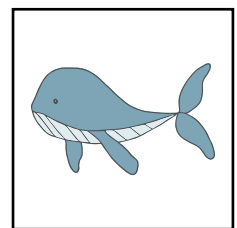

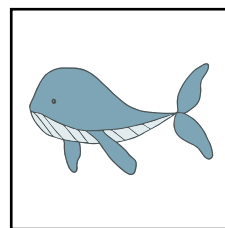

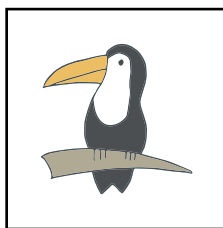

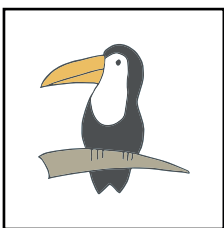

Sudoku niveau 2

Découpe les cartes correspondantes avec l'aide de tes parents
et replace les dans la grille correspondante.

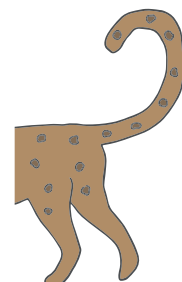

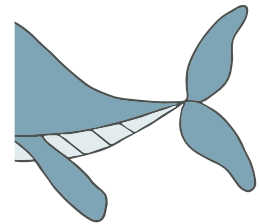

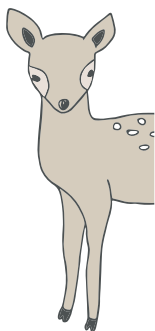

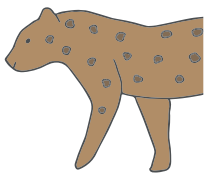

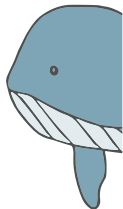

Chaque symbole ne doit apparaître qu'une seule fois par colonne et par ligne

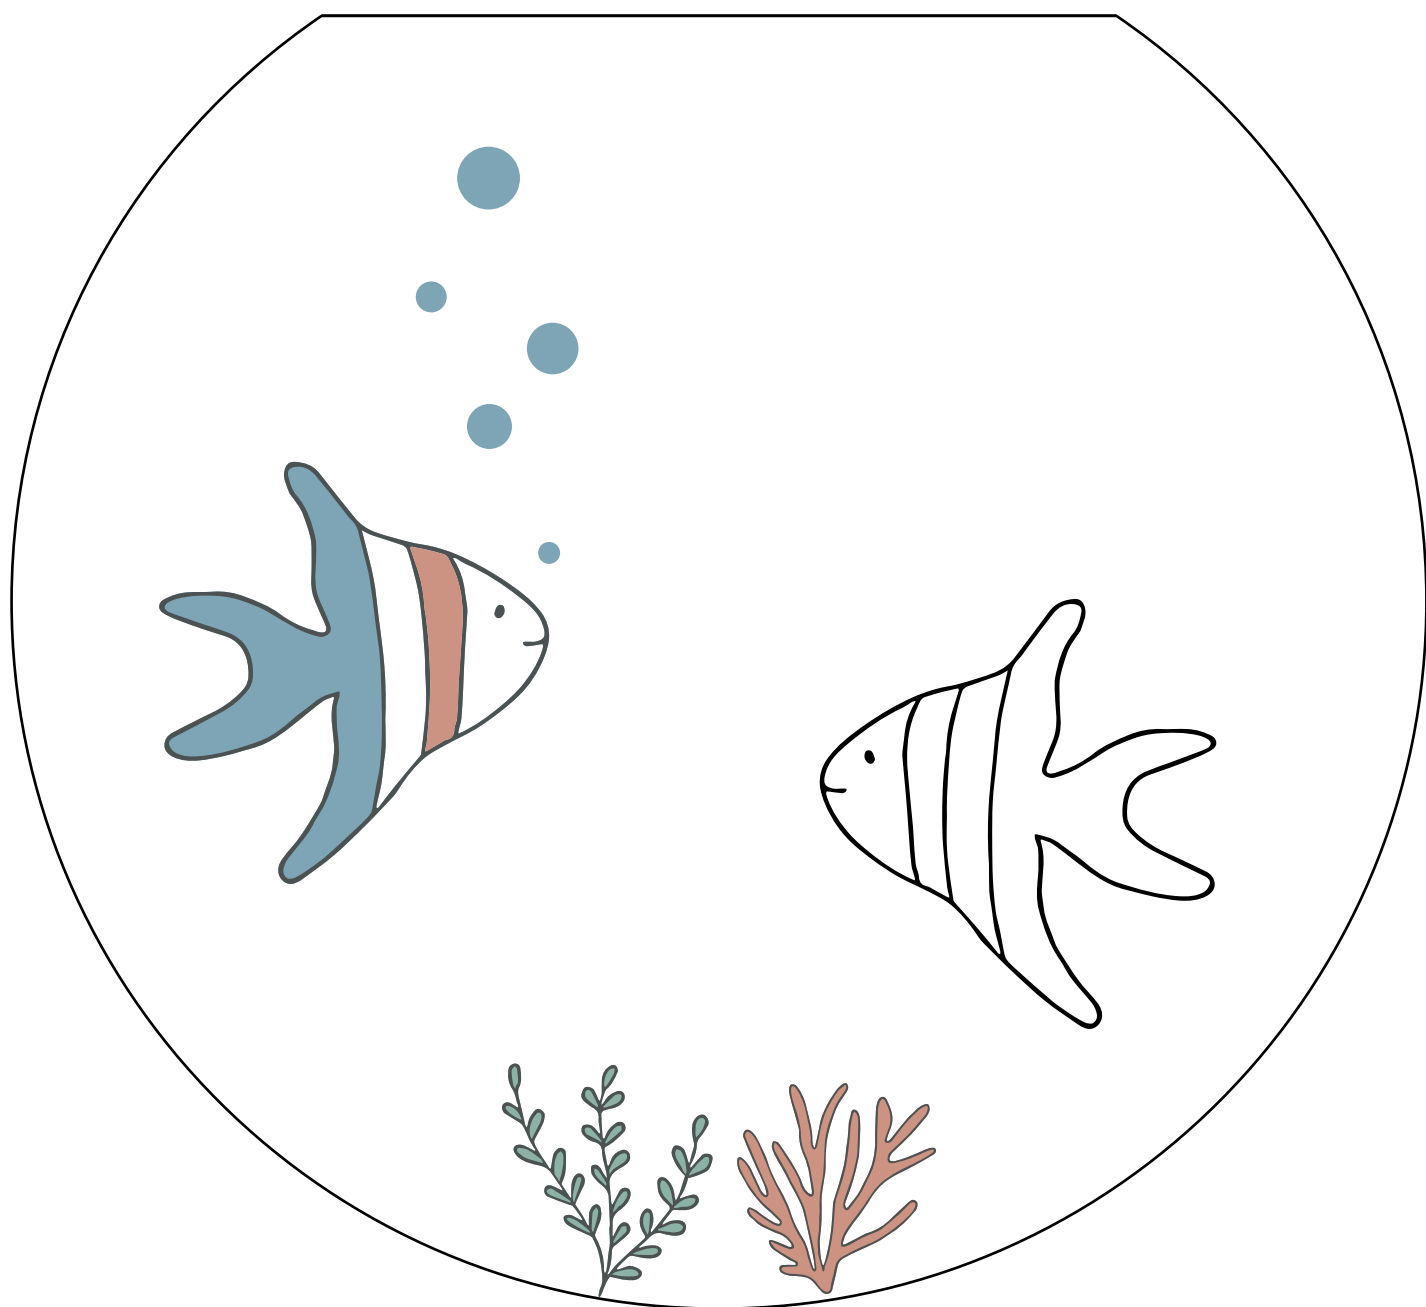

Cartes à découper

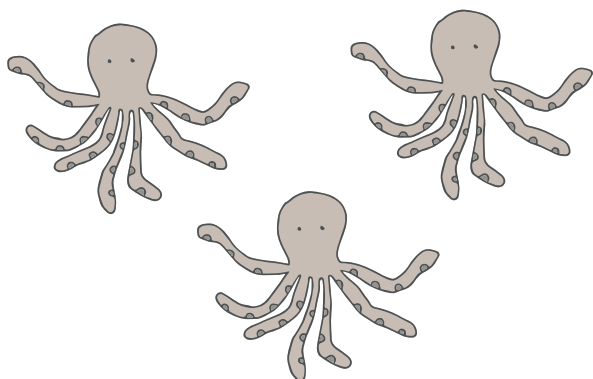

Relie la bonne tête avec le bon corps
en changeant de couleur à chaque fois.

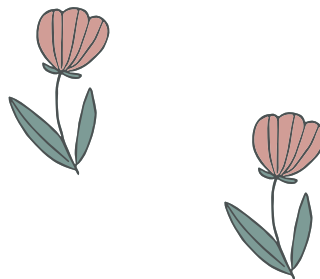

Colorie le poisson de droite de la même couleur que son copain
et dessine des bulles.

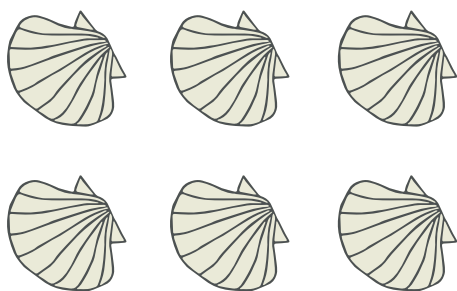

Dans chaque vignette, compte chaque symbole et entoure le bon chiffre

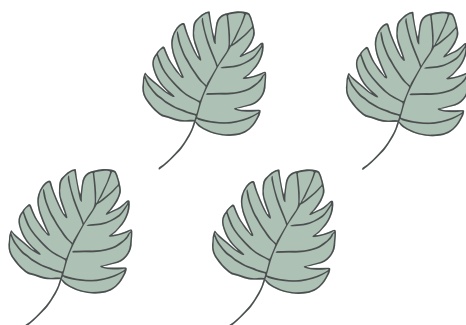

3 5 7

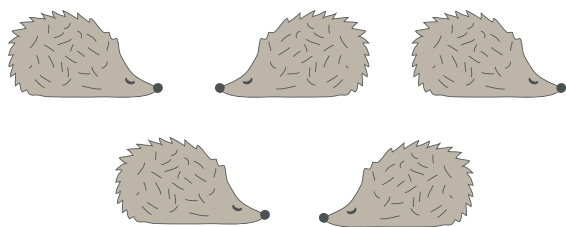

4 2 1

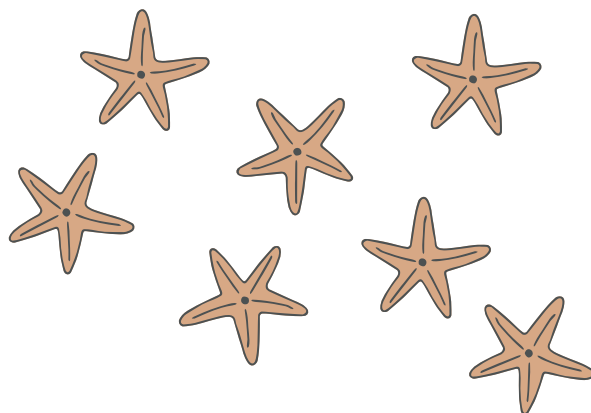

4 5 6

8 2 4

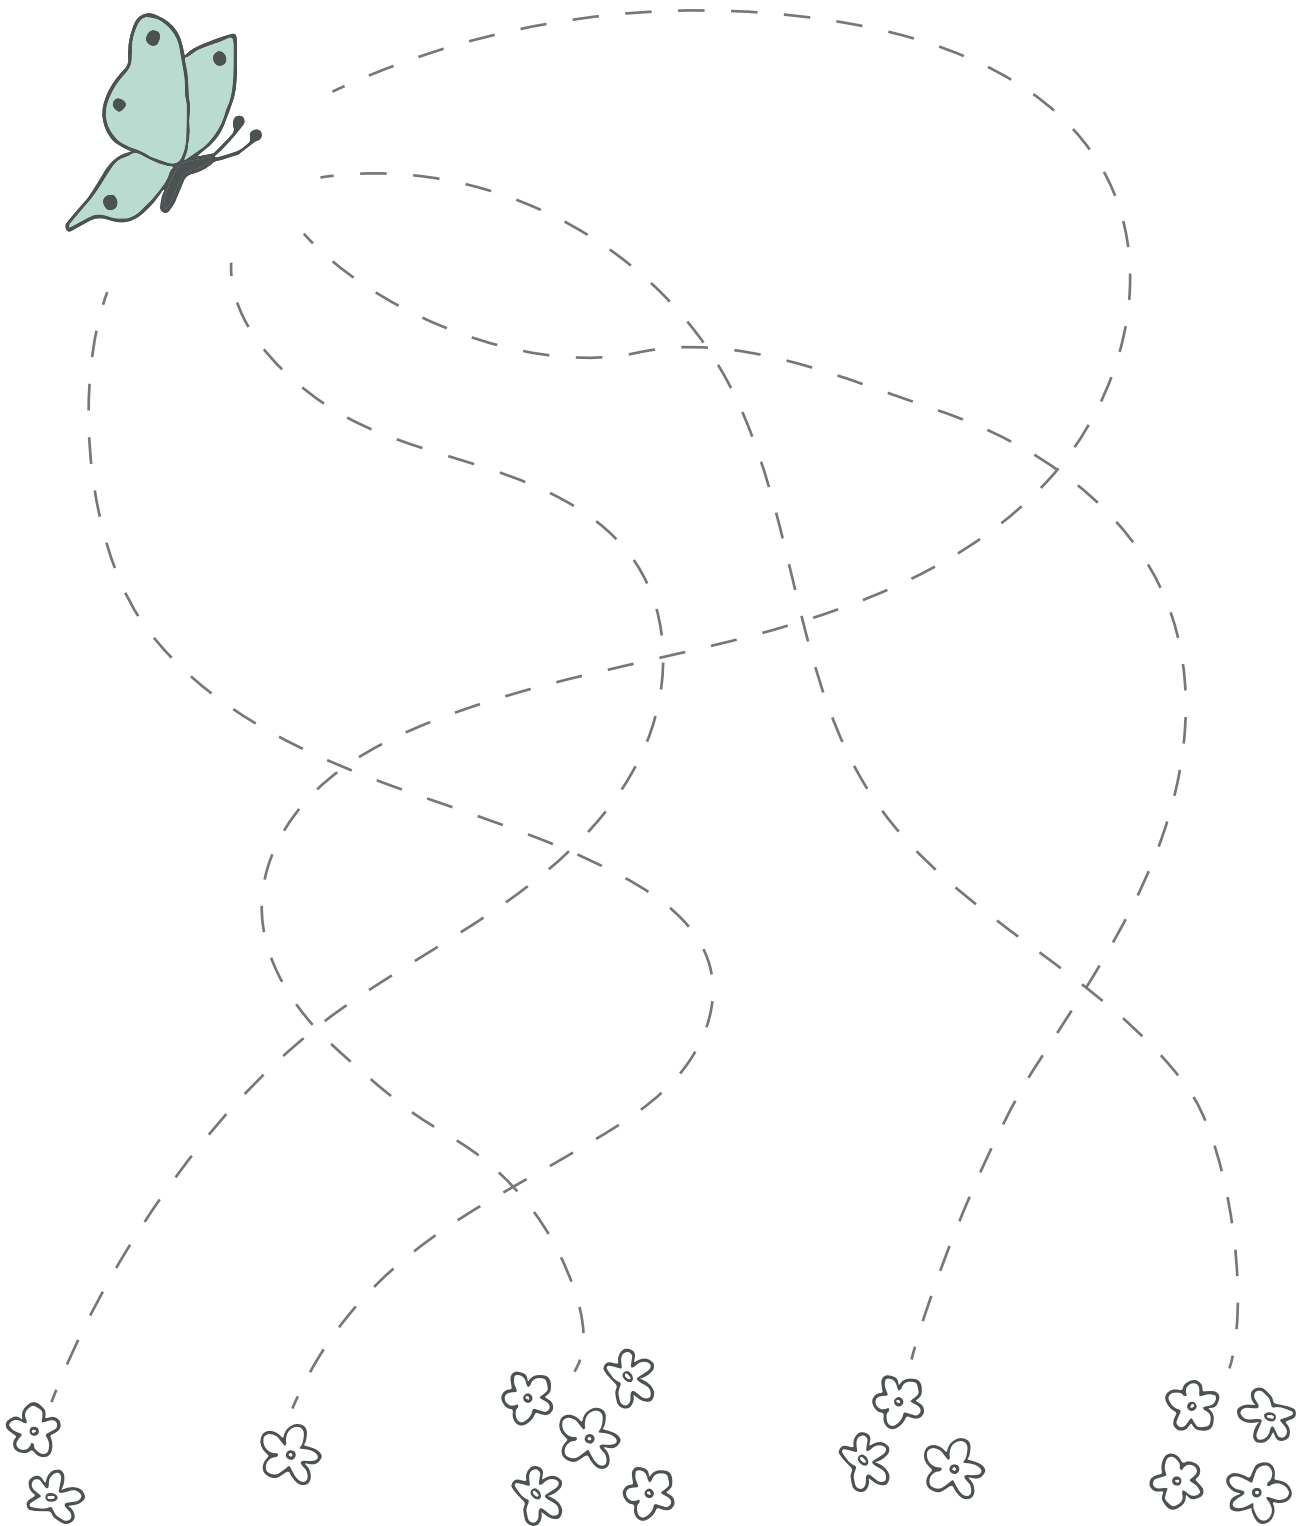

5 7 3

6 7 9

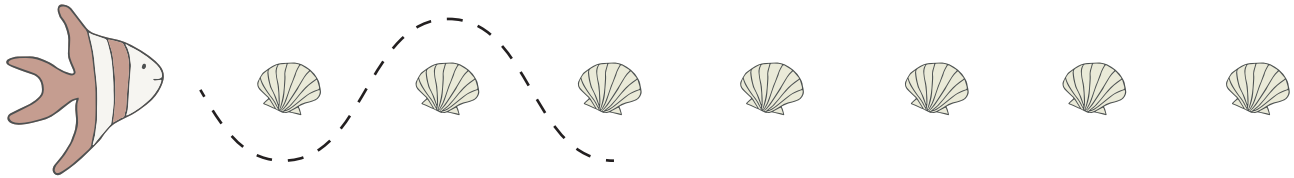

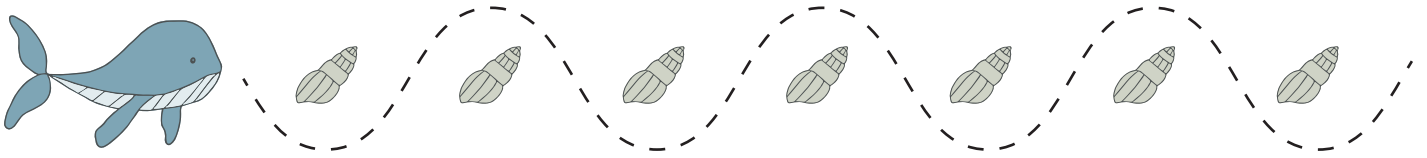

Aide le papillon à butiner les petites fleurs.
Trace chaque chemin dans une couleur différente.
À l'arrivée du chemin compte les fleurs
et entoure le chiffre correspondant de la même couleur.

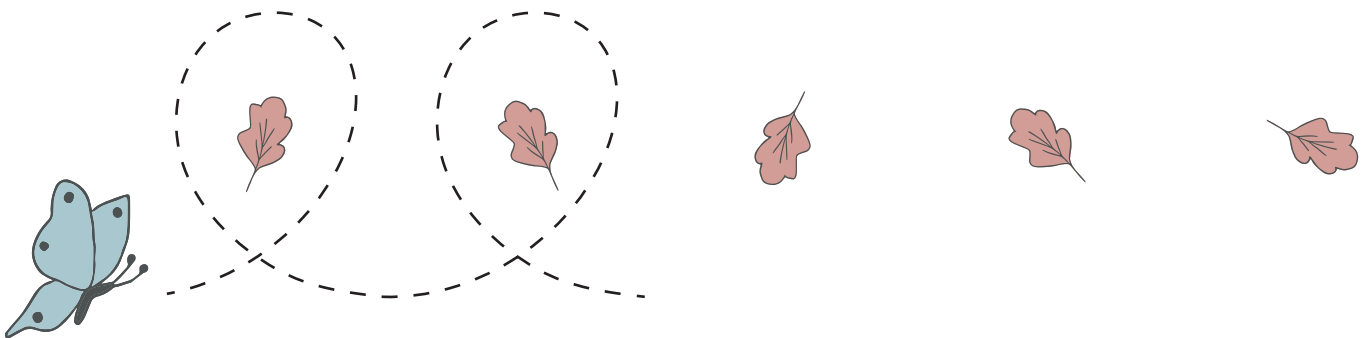

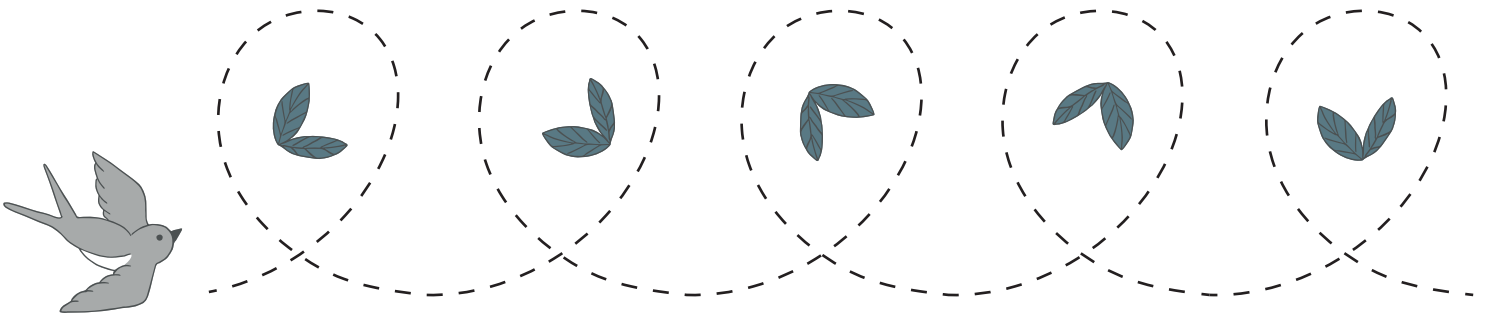

1 2 3 4 5

Pour chaque exercice, repasse sur les pointillés de la première ligne et essaye de reproduire le même tracé sur la deuxième ligne.

1. Les vagues

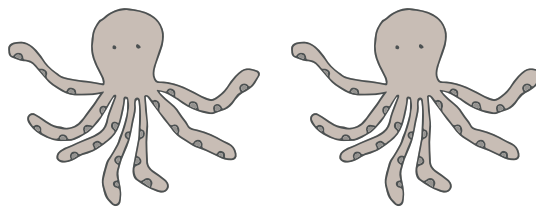

2. Les boucles

Combien de dessins vois-tu dans chaque rangée?
Relie les rangées avec les chiffres correspondants.

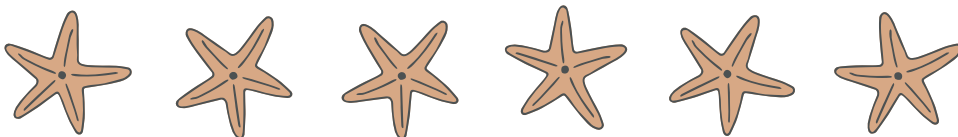

2

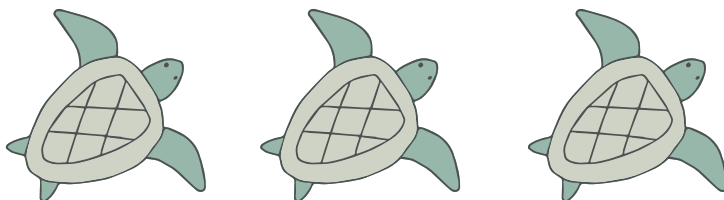

5

7

4

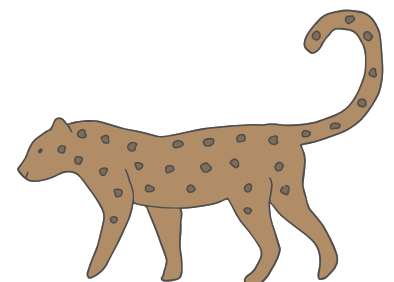

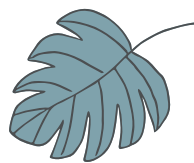

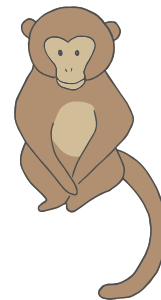

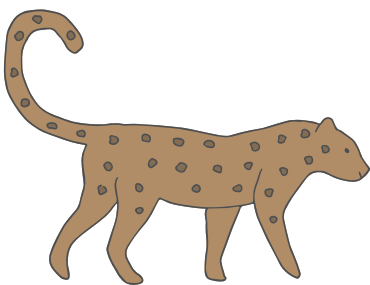

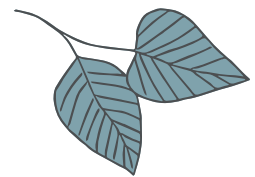

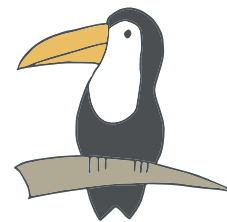

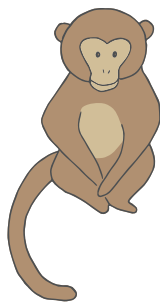

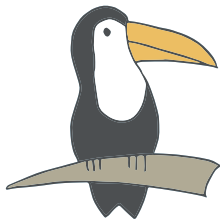

3

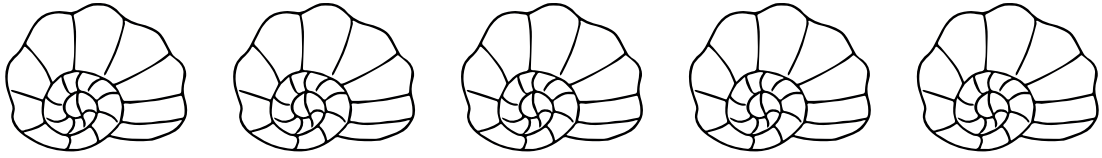

6

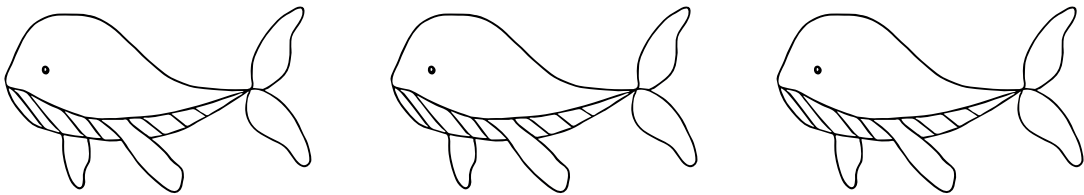

Relie chaque paire et entoure l'élément qui se retrouve seul.

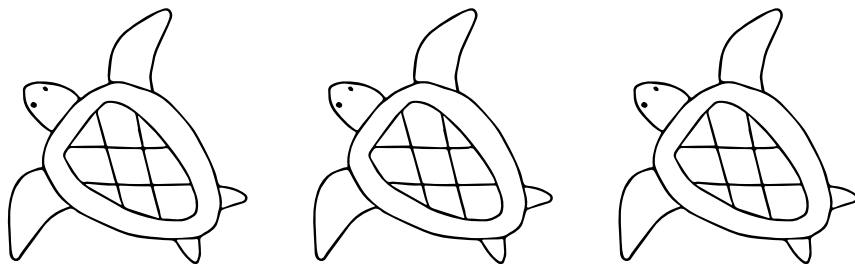

Colorie l'escargot du milieu en jaune

Colorie la baleine de gauche en bleu

Colorie la tortue de droite en vert

Colorie le deuxième hippocampe en orange

Colorie le quatrième coquillage en rose
